Welcome to Shabbat Services

June 9, 2006

**This week' Torah portion is Naso**

**This portion begins on page 586 of the Hertz Bible**  
Naso, the second portion in the Book of Numbers, incorporates abundant and diverse subjects. It completes the census with a counting of Levitical families and the enumeration of their responsibilities to the Tabernacle. These chapters also contain: instructions for isolating disease and other sources of impurity from the community, the ritual of the suspected adulteress and the procedure for undertaking a Nazirite vow. The *parashah's* concluding section begins with the threefold *Birkat Kohanim*, or Priestly Blessing, and ends with a list of the offerings brought by the tribal heads for the ceremony of dedication of the Tabernacle.

Feel rewarded for doing your part in supporting our Jewish community every time you purchase a product or service from one of our "Angels." For a full list of angels and the programs they are offering, check out the affinity group online at [www.congregationbnaitorah.org/content/angels](http://www.congregationbnaitorah.org/content/angels) or see the insert in the June bulletin.
